The news of Mrs. West's death, al-
though forecasted in letters which had
been received by her sister, Miss
Blanche Simmons of this city, came as
a severe shock to her many friends in
Chicago Heights.

Blanche Simmons of this city, came as a severe shock to her many friends in Chicago Heights.

Was Well Known Here

Mrs. West was well known here and was much beloved and highly respected by all who were fortunate enough to have gained her acquaintance. For three years she was an instructor in the High school. During her residence here she was active in the Methodist church, of which she was a devoted member.

Three years ago next month she was united in marriage with George M. West, who was at that time superintendent of the Chicago Heights Terminal Transfer railroad, and at present secretary and general manager of the Gulf Coast Development company, with headquarters at Panama City. About two years ago Mr. and Mrs. West went to Florida to reside.

Highly Educated

Luella Simmons was born in Allenburg, N. Y. She was highly educated, being a graduate of the State Normal school, at Cedar Rapids, Iowa, and Penn college at Oskaloosa, Iowa. She also took special work at the University of Chicago, and spent some time at the University of Berlin, Germany.

Mrs. West is survived by her mother, Mrs. Julia Simmons, and three sisters and two brothers—Miss Blanche Simmons of this city, Mrs. C. W. Matteson of Swea City, Iowa, and Mrs. R. O. Everhart of Portland, Me; E. E. Simmons of Roscoe, S. D., and R. C. Simmons of Roosevelt, Okla. Sharing with them their sorrow are many friends in this city, who had profound regard for the deceased because of her gentleness of character and lovable disposition.

Horse Market Draws Well

The monthly horse market, held Saturday, drew a large number of buyers and several animals were disposed of. There were not as many horses on sale as could have been sold. The market bids fair to be an important one as it grows older.
